Name

Year

Date

1 Confidence and independence

Tell me about the learning experience that you've enjoyed most this term.

What subject/topic has interested you most?

Do you feel more confident in your learning?

Can you give an example?

2 Working together - collaboration

Can you give an example of when you've worked well with others?

What did you do to make the collaboration work?

3 Being creative

Can you think of an example of when you've used your imagination in learning?

Have you tried something new or different?

Which of your own ideas have you tried out?

Child Learning Reflection cont.

4 How do you learn best?

- eg - asking questions
- looking for information (where?)
 - trying out and testing ideas
 - discussing, drawing/diagramming or writing about what you have learned.

5 What you've learned

What are the most important things you've learnt recently?

Are there any subjects/topics that you feel you understand better?

What kinds of things have you learned how to do?

6 What you think about your learning

What have you been happy with in your learning this term?

What would you like to get better at or learn more about?

What might help you to learn better?
