

Outstanding behaviour & discipline

We believe in a calm, respectful school
with clear boundaries.

Good or outstanding teaching in every class

We attract and develop the most
outstanding & ambitious teachers.

Creative, child-centred learning

We plan our own curriculum so that it is
imaginative & engaging.

Family feel

We are small enough that every child is still known by name.

Hill Mead is for everyone

If we have a place, we will never turn a
child away.
