

Looking for a Good School?

Here's what Ofsted
says about ours...

All pupil
groups make
good progress

A rich and varied
programme
includes clubs,
visitors and trips

Our head
teacher really
cares about us
and would do
everything he
can for us

Pupils are happy,
feel secure and
enjoy their learning

I never dreamed
my son would
read just for
pleasure

Pupils and
staff treat one
another with
consideration
and respect

The curriculum
takes good
account of pupils'
needs and
interests

While all provision
and outcomes are
good, several are
beginning to
develop outstanding
features
