Summer Term 6 2010

With the SATs finished, we come to the end of an era, the end of Primary School for your child. There is so much to reflect on: favourite moments, most enjoyable trip, best experience and so on. As we get into the full swing of the last term, it is certainly jam packed! Year 6 have so many dates to put on their calendar, including the exciting production of Bugsy Malone. Everyone in year 6 has a part and there are lines to be learnt!!! Please assist your child in learning those lines, especially if they have a part as the main character. Thank you to all those parents who have sent in character costumes.

Reminders

6 Blue's PE day is on **Wednesday** afternoons.

6 Red's PE day is on **Thursday** afternoons.

Full kit must be brought in with trainers.

This term Year 6 will also have swimming lessons at the Brixton Recreation Centre on Thursdays. Please make sure your child has the correct swimming wear as well as a swimming hat.

Continue practising mental maths with your child. This will be so beneficial for your child at Secondary School.

Lateness continues to be an issue . School begins at 8.55am. It is vital that your child is in the line at 8.50am to be in class for registration.

Important Dates!

KS2 Sport's Day: 25th June, 10am

PGL: 2nd July—5th July

Yr 6 Graduation: 8th July, 6pm

Yr 6 Bugsy Malone

Production: 14th July, 6pm

End of term: 23rd July, 2pm

What will my child be learning this term?

The topics for this term are listed below.

NUMERACY	Multiplication & Division Investigations	Our focus this term will be on teaching and securing short methods of multiplication and division to prepare the children for Secondary school. We will also carry out investigations and problem solving activities to equip them for real life!
LITERACY	Drama and Multimedia Presentation.	This term's focus will be on speaking and listening. We have included a great deal of drama and written work in response to the drama for this term. The children are also learning about the production and direction of plays. We have also been working in groups to find out about the 1920s and 30s in America and produced our own informative research. We will be presenting these in the next few weeks.
SCIENCE	Revision	This term we will be revising all topics covered throughout your child's school life. We will also review certain experiments and investigations.
ART/DT	Mood Boards	This term we will be working with an artist to create scenery for our play. Pupils will create mood boards aimed at the 20's and 30's - the era of our production.
ICT	Multimedia	We are really lucky to be working with the Lambeth City Learning Centre this term using the Green Screen to create pre recorded scenes for our Bugsy Malone Production.

Thank you

Mrs Mackie, Mr Martin, Ms Wild and Ms Bowers
