## Ending the year on a high!

We have had an exciting end to the school year with two amazing shows from Year Two and Year Six.

The last week of term has been calm and orderly. The children and teachers are preparing for a smooth transition to their new classes. Details of your child's new class are on the back.

**The Little Mermaid**

Bugsy Malone is the first time ever we've done a full length play in Year Six - AND it was a musical!

The children learned a lot of lines and performed with real passion.

Year Two have performed a play for many years at Hill Mead.

This year's production kept up the very high standards and once again involved the children in writing the script and composing the music.

The children performed with tremendous energy.

This is what a parent governor wrote about Bugsy Malone

I laughed, cried and was astounded by the performance. Outstanding, marvellous, hilarious beautiful, inspiring...

**Term ends: This Friday 23rd July at 2pm**

## Our Teaching Team 2010-11

We are very proud of the quality of teachers we attract to Hill Mead. As you can see, most of the existing staff are with us for another year and Ms. Cordery has come back from Japan!

There are also some new teachers joining us. We have chosen them carefully and we are working hard to make sure they are well prepared to keep up our high standards in September. Some of them have already started working here for the last couple of weeks.

The classes will continue to be further supported by our policy of having additional, senior teachers working in every year group.
